

## **We the Mighty Men of OCGF**

The Lord is Good  
His Word is Right  
We stand in Honor  
Of our wives tonight  
By the Lord's Mercy & Grace  
We praise you in this place  
You better our lives  
By being our wives  
For all you do  
God blessed us with you  
When we stand as one  
The Lord's will is done  
Even when we are apart  
You're inbedded in our Heart  
We hope you see clearly  
That we love you dearly  
We stand & raise our glass  
To our women of class  
Even if it's only awhile  
We hope & pray we raised a smile  
We thank God for putting you in our lives  
We love & cherish our beautiful wives!
